**Article Four
MEMBERSHIP**

Section I. Membership Defined

A. Membership in the IRA is by institution, and all rights and duties inherent to that membership may be exercised by or enforced against member institutions only.

B. Membership in the association is a prerequisite for participation in the IRA Regatta, but does not guarantee qualification.

Note 1: Students enrolled in a member institution do not by virtue of such enrollment, acquire membership in the IRA. Thus the IRA has no direct jurisdiction over any student enrolled in a member institution, and no such student has any membership rights in the IRA.

Note 2: Although membership in the IRA is by institution, membership on the Board of Stewards and all other committees of the IRA shall be personal to the individual representative of the member institution serving thereon. Thus, the membership of an individual representative on the Board of Stewards or committees shall be terminated in the event said individual ceases to be employed by a member institution, and/or in the event said individual subsequently becomes the representative of a member institution in a division other than the division the said individual was elected to serve.

Section II. Eligibility for Membership

A. INSTITUTIONAL REQUIREMENTS

A four-year college or university that sponsors at least one varsity rowing team for which the IRA conducts competition, is eligible to become a member of the Intercollegiate Rowing Association (IRA) if it sponsors at least one IRA eligible team as described in Section II B. of this Article Four below.

B. INTERCOLLEGIATE ATHLETICS PROGRAM REQUIREMENTS

Rowing teams seeking participation in the Intercollegiate Rowing Association (IRA) National Collegiate Championships Regatta must meet the following conditions to be recognized as eligible teams:

- (1) The team officially shall have been accorded varsity status by the institution's president or chancellor or committee responsible for intercollegiate athletics;
- (2) The team(s) is (are) administered by the department of intercollegiate athletics;

- (4) Staff member(s) responsible for the certification shall be the same staff member(s) that are responsible for certifying eligibility for the institution's other intercollegiate varsity programs.

C. PROFESSIONAL ACCREDITATION

Institutions applying for membership in the IRA must be fully accredited and have the unqualified endorsement of their educational policies and programs, standards of admissions, faculty, facilities, plant and equipment, etc. by the appropriate regional accrediting body (e.g., Middle States and New England Associations of Colleges and Secondary Schools, Western Association of Schools and Colleges (WASC), or comparable, professional accrediting bodies). If the institution is not so accredited, the application shall be rejected. However, if the institution is so accredited, it shall be deemed to have satisfied this requirement.

Section III. Application for Membership

An institution wishing to become an active member of the IRA shall file a prescribed application form with the office of the IRA, accompanying such application with a check in the amount of \$500.00 as a non-refundable application fee. Upon acceptance of admission to the IRA, the application fee will be applied toward the institution's initiation fee. Any changes to the foregoing application fee arrangement shall be as determined by the Board of Stewards.

Section IV. Admission to Membership

The IRA Commissioner shall determine whether the applying institution satisfies the requirements of Sections I, II and IX of this Article Four. If said requirements are satisfied, the application shall be referred to the Board of Stewards-for consideration. A favorable two-thirds vote of the Board of Stewards shall be required to elect an applicant into the IRA, effective the following September 1 or on the date of the next annual membership business meeting.

Section V. Initiation Fee

Upon approval for admission to membership per Article Four, Section IV Admission to Membership, the applicant must pay a non-refundable initiation fee of \$1,000.00 to the IRA. Any changes to the foregoing initiation fee arrangement shall be as determined by the Board of Stewards.

Section VI. Re-election to Membership

If an institution has resigned its active membership in the IRA and subsequently applies to re-establish its Association membership; such application shall be referred to the Board of Stewards for consideration. A favorable two-thirds vote of the Board of Stewards shall be required to elect the applicant into the Association, effective the following September 1 or the date of the next annual IRA membership business meeting. A reapplication fee will be assessed as determined by the Board of Stewards.

Section VII. Voting

Members shall vote and participate in the activities of the Association through their respective duly appointed and accredited representatives. Each member shall have one vote cast by one accredited representative subject to the limitations set forth in Article Seven, Section IV of this Constitution.

Section VIII. Membership Responsibility

- A. By acceptance of election into membership of the Association, each member represents that it has read and is adhering to the Constitution, Bylaws, rules and regulations, principles and policies and resolutions of the Association, and will, in all its acts, conform in every way with the substance and spirit thereof, without exception.
- B. The Constitution, Bylaws and other legislation of this Association, unless otherwise specified therein, shall apply to the sport of rowing designated by the member institution in its annual IRA Declaration of Adherence as part of its varsity intercollegiate athletics program.
- C. If a student-athlete is ineligible under the terms of the Constitution, Bylaws or other legislation of the Association, the institution shall be obligated immediately to apply the applicable rule to the student-athlete and withhold him/her from all intercollegiate athletics competition. Section IX. Violation and Disciplinary Action

- A. **EXPULSION**
Should a member violate any of the terms of Section XI of this Article, it may be expelled from membership in the Association only by a vote of the members, provided, however, that (i) no such vote may be taken without the prior recommendation of the Board of Stewards, and (ii) A member shall not be expelled except by action of the members at an

annual or special meeting and such expulsion will require a two-thirds vote of all present at the meeting, provided those present constitute a quorum more than half of the membership.

B. FORFEITURE

1. When in violation of IRA regulations it has been determined that an ineligible player has participated on a rowing team sponsored by a member institution's intercollegiate athletics department that is competing or has competed at the IRA Championships, said institution must automatically forfeit all victories gained in which the ineligible player participated. Further, such member institution must report such participation and ineligibility to the respective secretaries of the IRA Eligibility and Infractions Committee for such further action as said committee may deem appropriate.

C. OTHER DISCIPLINARY ACTION

Any disciplinary action other than expulsion may be affected by the Eligibility and Infractions Committee subject to review on appeal to the Board of Stewards.

D. DUE PROCESS

Discipline under this Section shall not be imposed unless and until written specifications of the violation are delivered to the member against which a complaint is made, nor until the member charged had a reasonable opportunity to make written answer to the complaint.

1. The member charged may request to be heard at a meeting of the Eligibility and Infractions Committee or the Board of Stewards, which request will be accepted, and the member will be heard.
2. If expulsion is recommended by the Board of Stewards, the member charged may request to be heard at a meeting of the Association, which request will be accepted, and the member will be heard prior to the vote on the recommendation.

Section X. Annual Dues

Each institution shall pay annual dues to the IRA in the amount of \$600.00 per annum. Any increase in the amount of the annual dues shall require a recommendation by the Board of Stewards at least 30 days before the membership meeting at which the dues change is to be considered and acted upon, and at least 15 days mail notice thereof shall be given to each member. Approval of any such increase so recommended by the Board of Stewards shall be determined by a two-thirds vote of the membership at an annual or special meeting.
